

# ELSTER-AMCO WATER METERS

## WATER METER COUPLINGS

Each meter can be fitted with a set of Union Connectors  
 A set of Union Connectors includes 2 Nuts – 2 Tailpiece – 2 Gaskets/O-rings  
 Note: Add Space: 1/16" for Fiber Gasket (Hot Water), 1/8" for Rubber Gasket (Cold Water) The O-rings do not require added space. Couplings are available in waterworks bronze, low lead brass, and polymer upon request.
